Serenity Hospice & Home
Community Guide 2012
Supporting Serenity Hospice and Home Helps Those in Need

Serenity Hospice and Home has been assisting families in Northern Illinois for over 29 years. Our organization of dedicated healthcare professionals and volunteers provide hospice care, counseling, and many other services for patients and their loved ones who face a life-limiting illness.

We’re proud of our history and look forward to the future, but we couldn’t provide that care without the help of many. As a community-based not-for-profit hospice, support from the community has been the foundation behind the care we provide. We are humbled on a daily basis by the generosity of people like you, who have allowed us to continue our mission of caring.

Donating to Serenity Hospice and Home can mean so much to so many people and can be done in a variety of ways. You can honor a loved one by making a memorial gift, purchasing a commemorative brick or other naming opportunity, participating in fundraisers for Serenity Hospice and Home, or including Serenity Hospice and Home in your estate plan. Your gifts make it possible to provide important services for those in need throughout the community.

We understand the value of every dollar, particularly in these challenging economic times. Our pledge is to continue to provide the highest quality of care, counseling, and support for those in need and to be a trusted community partner for many years to come.

Thanks for all your contributions to Serenity Hospice and Home and for allowing us to serve you and others in our community.

Lynn

Our Boards

Serenity Hospice & Home is supported by two Boards of Directors. The Serenity Hospice & Home Board and the Serenity Hospice and Home Foundation Board are all volunteers and represent a cross-section of our service area. Members come with a variety of backgrounds and expertise to assist the organization in operating legally and ethically, as well as being good stewards of the resources we receive from the community.

Serenity Hospice & Home Board Members are: Karen Sikorski, Kevin Glendenning, Angie Good, Cathy Hahn Manning, Jerry Daws, Kathleen Isley, Jeff McLindsay, and Suzanne Ravlin.

Serenity Hospice & Home Foundation Board Members are: Eric Morrow, Renelle Carmichael, Kathy Feste, Gary Rhodes, Karen Sikorski, and Executive Director, Lynn Knodle.

Our History

1984 - Ogle County Hospice Association (OCHA) established as a Community-based, volunteer organization with its first office in Rochelle

1988 - Hospice office is moved to Oregon to be centrally located in Ogle County

1995 - OCHA becomes a full-service, Medicare/Medicaid certified hospice

2001 - Angel Treasures Resale Shop opens In downtown Oregon

2002 - Ogle County Hospice Association Foundation, Inc. is established

2003 - Hospice House building project is announced

2006 - OCHA Foundation begins Capital Campaign to build Hospice House.

2009 - Serenity Home opens its door for patients and families

2011 - Name is changed to Serenity Hospice & Home to better reflect service area
Hospice Medical Director, Dr. Juliette Kalweit, was born on September 16, 1963, in Chicago, Illinois. Dr. Kalweit grew up in Rockford, attended Northwestern University, and graduated from S.I.U. School of Medicine in 1989. Dr. Kalweit completed her residency at the University of Illinois School of Medicine at Rockford and worked as a family physician for OSF for 15 years. She joined Serenity Hospice and Home full-time in 2009. In 2010, she obtained her board certification in Hospice and Palliative Care.

Dr. Kalweit is also the Medical Director of Anam Care, a dementia facility in Rockford, and is the Medical Director for the new palliative care consult service at SwedishAmerican Hospital. She is past president of the OSF medical staff, member of the Rockford College Music Academy Board, and a past member of the Board of Directors for Carrie Lynn Children’s Center.

She married the boy-next-door, Steve Schmeling, and they have two children, Peter and Kristine. They also have two golden retrievers, Snoopy and Lucy. Dr. Kalweit likes to travel, play tennis, run, and read in her free time.

Associate Medical Director, Dr. Tim Appenheimer, was born on December 12, 1953 in Galesburg, Illinois, grew up in Paw Paw, and moved to Dixon at age 11.

Dr. Appenheimer graduated from Rush Medical College with an M.D. in 1978 and has worked at KSB Medical Group as a family physician for nearly 30 years.

Dr. Appenheimer is a Board member at Heritage Square in Dixon, Illinois, and a past member of the KSB Hospital Board of Directors, serving from 1989 to 1993. He is a volunteer at Volunteer Care Center, a health and medical center for those individuals and families not able to find a doctor or get medical care because of financial difficulties or because of inadequate private or government insurance.

He is married to Sharon (Reigle) Appenheimer and has two children: Benjamin (Stacey) Appenheimer of Chapel Hill, North Carolina, and Mary (Andrew) Zumbahlen of Naperville.

In his leisure time, Dr. Appenheimer enjoys photography, bicycling, kayaking, and guitar.

In addition to our two physicians, the Serenity Hospice & Home team includes 19 Registered Nurses, nine Certified Nursing Assistants, two Social Workers, Bereavement Coordinator, Chaplain, Volunteer Coordinator, and Education Coordinator. 78% of our nurses and 80% of our CNA’s are certified in Hospice & Palliative Care. Additionally, one of our Social Workers has achieved her certification in Hospice & Palliative Care and our Education Coordinator is a Hospice and Palliative Nurse Association certified instructor.

In 2012, Serenity Hospice and Home served 341 patients and their families with our professional care and services. Of those, 165 received some or all of their care in Serenity Home.
Our Services

Care in the Community

Serenity Hospice and Home provides services to patients wherever they call home. Serenity serves 8 counties in Northern Illinois: Boone, Carroll, DeKalb, Lee, Ogle, Stephenson, Whiteside and Winnebago, as well as the towns of Walnut and Ohio in Bureau County. Within this service area patients receive care in their own or family member’s residence, assisted living or nursing facility, and group homes.

The following services are provided to all Serenity patients.

- A hospice nurse is on call 24 hours a day, seven days a week, 365 days a year to answer questions and provide visits as needed.
- A hospice nurse performs regular assessments of the patient and provides symptom and pain management options.
- A certified nurse aide can provide bathing and personal care as well as light housekeeping duties.
- Hospice pays for medications used for pain relief and symptom management of the terminal illness.
- Hospice pays for medical supplies and equipment related to the terminal illness.
- A hospice chaplain and social worker are available to provide spiritual and social support.
- Hospice provides bereavement and grief support for family, friends, and caregivers.

Serenity Home

Serenity Home offers the patient and family a home-like environment, while providing the full complement of Hospice’s comfort-oriented care and services, including: expert pain and symptom management, 24 hour nursing care, assistance with tasks of daily living, friendly visits from volunteers, spiritual and psychosocial counseling for patients and their loved ones, and bereavement care and support for surviving family members. A patient’s personal physician is welcome to follow their care while they are in Serenity Home. The Serenity Home is open 24 hours a day. Serenity Home was designed to be family-friendly with special spaces designed for the families to remain close to their loved one during this final journey. Each patient room includes a sitting/sleeping area that allows family to remain close to their loved one. Additional areas were designed to include extended family, including a family kitchen and dining area, chapel, children’s playroom, and large family room for gatherings and celebrations. Family and friends are welcome to visit at any time the patient and family wish.

Medicare, Medicaid, and private insurance companies have determined the standard criteria for the various levels of care. Serenity Hospice & Home must follow these guidelines. It is the role of the Interdisciplinary Team, made up of nurses, physicians, social worker, and other team members to assess the patient’s overall condition and determine which of these levels of care match the patient’s condition and needs.

**General Inpatient Care** is specialized care that is necessary for pain control and/or symptom management that cannot feasibly be provided in the patient’s home setting. This level of care provides treatment for pain, intractable nausea and vomiting, respiratory distress, severe wounds, neurological changes (seizures), severe anxiety or depression, and/or breakdown of the family unit. This level of care is covered by Medicare/Medicaid and most private insurance.

**Respite Care** is care for patients whose primary caregiver needs to be temporarily relieved of the duties of care. Being a full-time caregiver is a very demanding job and this option allows caregivers to have time to attend to personal and family matters. Respite Care is covered by Medicare/Medicaid for up to five days during a covered period.

**Residential Care** is available for Serenity Hospice & Home patients who cannot or do not wish to stay in the hospital or in their home for their end-of-life care. Residential Room & Board fee is the responsibility of the patient and/or family for Hospice patients not eligible for other levels of care.

We welcome the opportunity to show the facility and describe our services. If you have a larger group, please call ahead so that we may have adequate staff available for the tour and to answer any questions.
Serenity Hospice and Home provides bereavement services to patients and families from the time of admission until 13 months after the patient’s death. Bereavement services include personal visits, telephone calls, written materials and letters, as well as cards on anniversaries and birthdays. We have a dedicated staff person trained in grief companionship who provides great support to patients and families as they navigate this final journey.

In addition to individual support, Serenity Hospice and Home provides many different support groups. These groups are open to any person in the community who has experienced loss, not just hospice patient’s families.

- **Movie & Discussion Night** – first Monday of the month at Serenity Home
- **Serenity Lunch Bunch** – first Thursday of the month on KSB Hospital Dining Area
- **First Steps** – second Tuesday of the month at various restaurants in the area
- **C.A.F.E. (Coffee And Friends, Etc.)** – second Friday of the month at Serenity Home
- **Breakfast Club** – third Wednesday of the month at River’s Edge Inn, Dixon
- **H.U.G.S. (Helping Understand Grief for Survivors)** – third Thursday of the month at Serenity Home

In 2012, the bereavement program was supported in part with funds from the United Way of Ogle County, the 708 Mental Health Board, and the Rochelle Area Community Foundation.

"WE."

You left before I knew that you were really gone.  
Still sitting in your chair, already you were moving on.  
As I sat across from you watching closely day by day,  
You were slowly, inexorably, slipping far away.  

We knew that you were dying. We planned and did discuss  
What was coming down the road, what lay ahead of us.  
Quickly, oh so quickly, those last days flew by,  
And patiently you waited, calm and unafraid to die.  

I cared for you in every way and did the best I could.  
With all my energy, I tried to make your every minute good.  
But this is what I did not, could not possibly anticipate:  
When you died I would discover “us” now lived in an altered state.  
And today I find most painful to me is this reality...  
That after fifty years together, there is no longer "we."  
Yet the sadness of your passing only serves to underscore  
The glory of our time together and for that I could not love you more.

E. Elliott  
Wife of Tom Elliott

### Comfort Care Therapies

We strive each day to fulfill the commitment of our Mission Statement: “Serenity Hospice and Home believes that living continues until the moment of death and our focus is on promoting optimal living through this final journey of life. This encompasses physical, spiritual, and emotional needs of the family unit with emphasis on the desires of the patient and family.”

Serenity Hospice and Home is proud to offer Comfort Care Therapies, in essence complementary therapies provide a holistic approach to relief of suffering and improvement in quality of life. Therapies may include: massage, music, aroma, pet, and relaxation. Other techniques could include reminiscing, applications of heat or cold, comfort visits that include: nail polishing, haircuts, and the little extras that can mean so much. Comfort is achieved in many different ways; handmade items ‘Made for Comfort’ include lap robes, prayer shawls, peace totes, fidget aprons and activity boxes.

Directed by the patient’s condition and preferences, Comfort Care Therapies will be incorporated into the patient’s plan of care. The focus of Comfort Care Therapies is on the person, not the disease that made them a hospice patient.
Earlyne Warmolts creates “Fidget Aprons” for the enjoyment of dementia patients with decreased cognitive function. Fidget Aprons provide tactile stimulation or are a fine motor skill activity.

The Vigil Volunteer program was started in 2012 to provide comfort, support, and compassion at the bedside of a dying patient. Many people have a fear of dying alone. It is the Vigil Volunteer’s desire to serve patients in a way that allows them to die with dignity in the presence of a caring person.

Unique Memory Pillows are created from a favorite article of clothing as mementos of a loved one.

Serenity Home patients and visitors enjoy volunteer Carol Flesh’s baked goods every day of the week. Each Wednesday, she is in the Serenity Home kitchen replenishing the stock of cookies and fresh breads for all to enjoy.

When quantities needed are much larger, such as Christmas and Valentine’s Day, our many volunteer bakers make treats in their homes to be packaged and delivered to patient’s homes, nursing homes, and assisted living facilities.

The generosity of our volunteers extends far beyond baking an occasional treat, as many prepare and donate meals to be delivered to patients and families who are unable to get out to buy groceries or prepare a meal themselves.

Knitting (and crocheting) volunteers meet at the Serenity Home on the second Friday of every month to create prayer shawls and prayer bears to bring peace and comfort to patients and family members.

Serenity Hospice and Home receives continual support from area crafters for the comfort and enjoyment of our patients and their family members. Knitters create prayer shawls, prayer bears, lap blankets, and caps. Quilters/sewers organize several workshops throughout the year to make peace totes, corn bags, and memory pillows, and many crafters create and donate items such as wheelchair bags and lap blankets.

Petal Pushers

The Petal Pushers provide support to Serenity Hospice and Home by creating and selling pressed flower decorated products including: note cards, book marks, refrigerator magnets, gift tags, and framed pictures. Each note card is personalized with a unique design, crafted with love, and delicately initialed by the designer. Petal Pusher items are available for purchase at many area events throughout the year. All proceeds are used to purchase items not covered by patients’ health insurance benefits, such as favorite foods or meals from local restaurants, slippers, and other items that bring comfort or joy to a patient or family member. 2012 proceeds: $4,492
Angel Lights

Each Christmas Season, Serenity Hospice and Home offers a unique opportunity to honor or remember a loved one with an Angel Lights Christmas Tree. These beautiful trees, covered in lights, surround the grounds of the Serenity Home during the holiday season. An ornament with the name(s) of the honoree, group or loved one being remembered is placed on each tree. Many families supplement the lights with their own personal decorations.

2012 proceeds: $3,083

Fund Raising

Angel Treasures Resale Shop

*Turning second-hand goods into first class care,* Angel Treasures Resale Shop, located in downtown Oregon, IL, has provided financial support to Serenity Hospice and Home Foundation since 2001. **We are excited to announce that Angel Treasures will be moving to a new location just 5 minutes West of Oregon to 4045 Route 64 in Mount Morris (adjacent to the Dollar General store).** The new location offers better parking and easier donation drop off.

In addition to financial support for Serenity Hospice and Home Foundation, Angel Treasures Resale Shop provides support to the community in other ways. Families who have suffered a loss due to fire or endured other financial hardships have been recipients of clothing and other necessary items from the Resale Shop. Additionally, Serenity Hospice and Home partners with the Probation Department to assist individuals by giving them the opportunity to pick out clothing items to wear when seeking or beginning employment. Annually, the Probation Department holds a clothing drive to obtain donations from the community. These items are then donated to Angel Treasures Resale Shop where they become available to those who have received vouchers from the Probation Department.

The success of the resale shop is attributed to the many individuals, schools, and corporations in the community who continue to donate items for resale, as well as the many volunteers who assist with the variety of duties within the store. **2012 proceeds: $17,603**

Jonathon Knodle Memorial Golf Play Day

Serenity Hospice & Home Foundation, along with Doug and Lynn Knodle of Byron hosted the 20th Annual Jonathon Knodle Memorial Golf Play Day at PrairieView Golf Club in Byron. Golfers played an 18-hole best ball scramble. Corporate and Hole Sponsorships were available, as well as raffle prizes and on-course contests. An awards luncheon was held at the Pavilion. Doug and Lynn Knodle initiated the annual event to honor the memory of their son, Jonathon, who died at the age of 2-1/2 in 1990. Jonathon received the excellent support of Serenity Hospice & Home (formerly Ogle County Hospice) during his final months. June 15th is the date of the 2013 event. **2012 proceeds: $7,331**

Rick Hahn Memorial Walk/Run

Hosted by Rick Hahn’s family, Cathy, Patrick, Garret and Ellen, this year’s event was located at the Byron Forest Preserve. Runners and walkers enjoyed a 6K course which began and ended at the Jarrett Prairie Center. In addition to the run/walk, participants enjoyed DJ music, and small children were entertained in the children’s area.

During the last months of Rick’s illness, his family was blessed with the help of Serenity Hospice and Home (formerly Ogle County Hospice). Now that Serenity Home is open, their mission is to help raise funds that will allow many people to utilize the excellent services and care the Home provides. August 10th is the date of the 2013 event. **2012 proceeds: $3,750**

Garden Luncheon

Serenity Hospice and Home hosted the first annual garden luncheon on the grounds of the Serenity Home. The tented luncheon featured cuisine by Costa’s Ristorante, harp music by Mary Ley, and many lovely silent and live auction items. Handcrafted items created by the Petal Pushers were also featured. May 11th is the date of the 2013 event. **2012 proceeds: $1,950**

Angel Lights

Each Christmas Season, Serenity Hospice and Home offers a unique opportunity to honor or remember a loved one with an Angel Lights Christmas Tree. These beautiful trees, covered in lights, surround the grounds of the Serenity Home during the holiday season. An ornament with the name(s) of the honoree, group or loved one being remembered is placed on each tree. Many families supplement the lights with their own personal decorations. **2012 proceeds: $3,083**

This past year, many in our community helped Serenity Hospice & Home realize our dream of providing a peaceful and beautiful respite area outside of the Serenity Home. Late summer brought the completion of our gazebo, water feature, and gardens in time for it to be enjoyed by several patients and family members before cold weather set in. This peaceful structure memorializes loved ones through pavers, wall stones, pillars, benches, trees, and other naming options. Poems and bible verses are among the many ways families have chosen to remember a loved one.

Spring of 2013 will be our next engraving opportunity, allowing us to add additional memorials prior to our dedication ceremony in the summer. Many options are still available and can be purchased using the form below.

Serenity Hospice & Home Mission Statement

Believing in the dignity of life, Serenity Hospice and Home offers care to the terminally ill and their families.

This encompasses the physical, spiritual and emotional needs of the family unit with emphasis on the desires of the patient and family.

Serenity Hospice and Home believes that living continues until the moment of death and our focus is on promoting optimal living through this final journey of life.
