

Serenity Hospice and Home

Wish List

Thank you for requesting Serenity Hospice's Wish List. As a not-for-profit hospice, we truly need and appreciate the generosity of people like you. We are always happy to answer any questions concerning the items on this list and as always gifts of monetary donations make sure that all of our patient and family's needs are met. THANK YOU!

Essential Oil and Infuser

"I had a patient who was having difficulty sleeping.

Medications were not really helping. So we brought out an infuser with lavender essential oil. He and his wife found this very calming and it helped to relieve some of his stress. He slept better and was grateful for the help." - Dawn VanderKolk, Serenity Social Worker

Comfortable new nightgowns for patients **\$10**

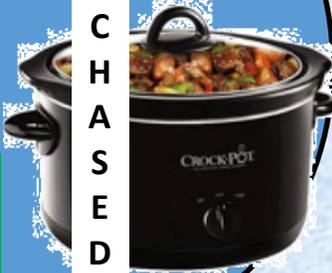

Patient Spa Package

Many of our patients suffer from constant pain and emotional distress. By purchasing a spa package for a patient, you will be offering them a pain free, calming experience. The package includes a session with a certified massage therapist, time in our spa tub at Serenity home, aromatherapy, a hand massage using lavender lotion made at Serenity Home and for the ladies—fresh nail polish!

CROCKPOT FOR THE FAMILY KITCHEN

\$45

Commercial Washer & Dryer

We do a lot of laundry at Serenity Home! Not only do we use our machines for patients, we allow families the use of our washer & dryer as well. The high volume of use means we are replacing the machines often. We could really use a set of high quality commercial grade machines.

Pave Walking Trail at Serenity Home

Employees are raising money to pave the walking trail that borders Serenity Home's property. This will benefit families, patients, employees and the community! Any amount of money will help with this project.

Sponsor Serenity's Memorial Garden

Mowing, weeding, watering, annual flowers, birdfeeders, birdseed, mulch,—it's pricey to make our gardens look beautiful!
