Memorialize a loved one

There are many ways to honor the memory of someone special at Serenity Hospice and Home. Additionally, all the proceeds from memorials go towards our mission, helping us to care for our patients and their families with the utmost dignity and love.

Serenity's Memorial Pavers and Bench Plaques

Located just outside of the Serenity Home on 11 acres of land, sits our peaceful gazebo, surrounded by gorgeous gardens, a walking trail, and wildlife. Along the paved trail are nine memorial benches, each named to correspond with one of our rooms as well as one for those who die in their homes. Purchasing a plaque with your loved one's name on it is a special way to memorialize a beautiful soul and a life well lived. The smooth, cool stones that make up the foundation of the gazebo are engraved with the names of loved ones who have died. Add the name of someone dear to your heart as a special tribute.

- Memorial Walking Trail Plaque (\$150)
- Medium Rectangle Paver (\$150)
- Large Rectangular Paver (\$300)

Butterflies

A poignant symbol of transformation and rebirth, there are two types of butterfly memorials available at Serenity Hospice and Home.

- **Bronze Butterflies** (\$650): These pretty butterflies are made-to-order and you can choose the style and color. This option is extremely durable, long lasting and weather resistant.
- **Mirror Butterflies** (\$30): These lovely reflective butterflies mirror the brilliant colors of our flowers and the bright blue sky. Your memorial mirror butterfly will be kept in the Serenity Garden as long as it remains in good condition. In most cases, these butterflies should last at least one season.
