DIGNITY, RESPECT & COMFORT AT THE END OF LIFE

Serenity Hospice & Home
Oregon, IL

Serving Our Community For 40 Years!

THANK YOU FOR THE PRIVILEGE OF SERVING SERENITY

Lynn Knodle, CEO

After much thought and reflection, I have decided it is time for me to retire from my role as CEO of Serenity Hospice and Home at the end of the year.

Leading this wonderful organization has been an extraordinary journey and a profound honor. Over the years, I have been deeply moved by the unwavering support and kindness of our community. Together, we have created a compassionate and caring environment for our patients and their families during their most challenging times.

I am incredibly proud of the strides we have made in expanding our services, improving the quality of care, and fostering a sense of community and support. These accomplishments would not have been possible without the dedication and hard work of our remarkable staff, volunteers, and supporters.

To our patients and their families, thank you for entrusting us with your care. Your strength and resilience have been a constant source of inspiration. To our community partners and donors, your generosity and commitment have enabled us to provide exceptional care and support to those in need.

Lynn with representatives from the Knights of Columbus #4739

As I step down, I am confident in the continued success and growth of Serenity. Our dedicated leadership team and staff are committed to carrying forward our mission with the same passion and dedication that has defined our work thus far. I continue to work closely with the board to ensure a smooth transition and to support the selection of a new CEO who will lead Serenity into the future.

Thank you for the privilege of serving this wonderful community. I look forward to watching Serenity continue to thrive and make a positive impact in the lives of many.

Memorial Butterfly Release Held at Serenity Home

GROWING ONE STEP (OR BRICK) AT A TIME

Serenity Home
Walking Trail Expanded

Serenity Home was excited to see a new addition to our beautiful garden in June. **A new paver stone walkway was installed, connecting our one-mile-long trail to our garden pavilion.** The new walkway adds to the garden's beauty and allows more accessible access to our walking trail. Walkers, strollers, wheelchairs, and others can safely travel from garden to trail without barriers.

One significant feature of our garden is our Veteran memorial pavers. Veterans served by Serenity are offered the opportunity to have a named memorial paver placed in the garden. **Thanks to a \$4,000 designated gift by Kim Krahenbuhl through the A. Charles and Lillemor Lawrence Foundation,** Serenity will be able to offer these memorial pavers free of charge to patients and their families for years to come. Veterans are honored and remembered each year at the annual Memorial Butterfly Release.

At Serenity, we continually expand the care we offer our patients. From enhancing our garden and trails to providing innovative care such as integrated therapies, we are dedicated to meeting their needs. We want to express our heartfelt gratitude to everyone who supports the work of Serenity Hospice and Home. Your support is invaluable and enables us to continue and expand our mission.

THE SERENITY SHED BEREAVEMENT RETREAT IMPACTFUL

Dana Cox and Cathy Warren, "The Shed" Staff

The Serenity Bereavement Team is celebrating the success of our first-ever, **Hope & Healing Retreat**. This initial endeavor was planned for grieving moms. Five women attended, each from a different community. Each mom received a gift bag of small trinkets, as well as a Serenity prayer shawl. Time was spent doing yoga, meditation, hiking, creating take-home lanterns, painting rocks, and sharing stories.

The retreat was held overnight, April 20 & 21, at **Lutheran Outdoor Ministries Center (LOMC)**. One of our attendees shared, "This weekend was a beautiful, comforting, fun time with women who support and understand this life I now live. Thankful and blessed." Dana, Serenity's Bereavement Manager, shares that the blessing may have been even greater for the Bereavement Team, "We laughed as much as we cried. We built community. We supported each other. We rested, reenergized, and were reminded of the hope that we find when we spend time with others who have had to learn to live after this greatest loss. What a blessing this weekend and this amazing group of women is! We cannot wait to do it again!"

FAITH WITH RAISED HANDS

Interview with Gary and Lori Greenfield

"I want to help others," says Gary Greenfield. As a patient at Serenity Home living with amyotrophic lateral sclerosis (ALS), Gary's challenges would be nearly impossible for most of us to appreciate. ALS has left Gary non-verbal, unable to speak out loud. Still, Gary's ability to communicate goes beyond the spoken word; he uses technology and body language to share his needs, thoughts, and feelings. The decision to accept hospice care is often deeply personal, and Gary and his wife Lori made a firm decision not to waste any time. Comfort and care were paramount to living a life of faith and service. Has Gary been mad at God for his struggles? Mad at ALS, but never at God, Lori assures. "God picks up every piece, and I know we're OK," Lori explained. Gary wants his story of hospice to help others in similar situations. From massage therapy to all the comfort care received, Serenity has been a refuge, providing such delicate care and a wonderful partnership.

A core mission of Serenity is to work as a team to provide as much care and compassion as possible. One way that Serenity excels is through integrated therapies, whether massage, music, pet therapy, aromatherapy, or virtual reality.

Serenity's Integrated Therapies Manager, Cori Gale, has been part of the team caring for Gary. "It is such an honor to be a part of each patient's end-of-life journey, but in my experience as a hospice massage therapist, the ALS population (and really any end-stage neurological diagnoses) seems to have an amplified response that goes so far beyond the physical pain relief massage therapy can provide." Medication and other therapies enable great alleviation of symptoms, and when brought together with a real person, one individual caring intensely for another provides even more significant results. "During our sessions, we find a beautiful language beyond words, where touch speaks comfort, understanding, and empathy," says Cori.

Lori and Gary insist that "serenity" is not a casual title or branding. The organization is called "Serenity" for a good reason. We take so much for granted these days, and the need for peace and serenity in times of trouble and worry is so great. Lori is confident that Serenity Hospice & Home is where God called them both to be cared for now. It has been a "hard struggle," but Lori shares that their response has been faith in God.

Faith With Raised Hands Continues...

Faith With Raised Hands Continued...

Amid their struggle, they have found solace and tranquility in the care provided by the team at Serenity, a testament to the peace that can be found in such challenging times.

Recently, Gary and Lori participated in a worship service virtually, and as the service neared its end, the final praise song was being beautifully sung. Lori looked over at Gary and thought Gary had fallen asleep with his eyes closed lying on his bed. Something was very different, though, in this moment. Suddenly, Gary began to lift one arm high. For many churchgoers, this is a common occurrence, but for a hospice patient living with ALS, it is even more of an act of devotion and faith. Gary continued in prayer and praise with a still hand and arm raised high in thanks to God throughout the rest of the song. Lori wants people to know that hospice care can be a place of joy and faith, and Gary is a witness to that care and support. Lori herself felt "overwhelming peace" in the holiest moment, together experiencing worship in their room despite the worship at Passion Vineyard Fellowship taking place states away in Arizona.

Lori was reminded of the verse: "Yes, I am the vine; you are the branches. Those who remain in me, and I in them, will produce much fruit. For apart from me you can do

Photos: Gary worshipping (left), Lori and Gary (right)

nothing," from John 15:5. For Lori, this verse encapsulates the power of faith and community in overcoming adversity. God is in control and brings people together to serve. God connects us all in unique and wonderful ways. From medical staff, therapists, pastors, social workers, friends, and family, we all are called to help one another. Gary's life and experience are a story of faith, endurance, care, and compassion. Hospice care is an important comfort and robust way to experience the end of life's journey. As Gary wants others to know about how he is being cared for we are equally privileged that he is a light of faith on our own paths. Thank you to Gary and Lori for allowing Serenity to walk with you and share your faith story. May we strive to live with an arm raised to God and an arm out to help others daily and in every circumstance, united in our faith and resilience.

Gary Greenfield died May 19, 2024.

FUNDRAISING EVENT NEWS

Thank you for supporting Serenity Hospice & Home

Art Dash

On April 10 at the River's Edge Experience, our third annual Art Dash event featured 237 participants, with many enjoying the opportunity to "dash" for one of 92 different pieces of art. 75 artists graciously donated artwork that adorned the event space and amazed everyone in attendance. The event was organized and **led by Karen Virnoche and James Brown, and their efforts, along with volunteers and staff, raised over \$30,000**—a beautiful spring evening for a unique and special opportunity to come together and raise funds.

Garden Luncheon

The annual Garden Luncheon was held at Stronghold Center on May 11, 2024. An enthusiastic crowd enjoyed bidding on silent auction items, taking a chance on the popular mystery boxes, and just enjoying conversation! After an enjoyable meal and presentations by Lynn Knodle (CEO) and Karen Sikorski (Serenity Board Chair), Joyce Rueff led a very spirited live auction of exciting items. The event raised over \$13,000 in benefitting Serenity.

Golf Play Day

A cool, sunny morning greeted the 19 foursomes who enjoyed an engaging morning of golf at PraiseView Golf Club in Byron, Illinois. Participants gathered at the pavilion banquet hall for lunch, raffles, presentations, and an enjoyable community time. We thank everyone for their support in making this annual event beneficial to pediatric hospice care. Thanks to everyone's support, over \$9,000 was raised.

Memorial Butterfly Release

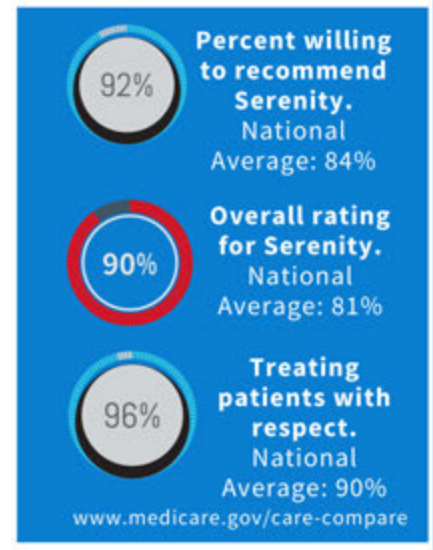

On June 29, hundreds gathered to honor loved ones who have died. A touching reading of names and the hopeful release of monarch butterflies, made the event a special time for everyone. Over \$8,000 was raised to benefit Serenity's bereavement programs.

Partner Fundraising Events

At Serenity, we are truly fortunate to have the support of numerous organizations and groups who selflessly organize fundraisers for our benefit. These events play a significant role in our continued operations and the services we provide to the community.

- **Fish Fry:** Special thanks to the Knights of Columbus (in partnership with St. Mary's Catholic Church in Bryon) for donating their proceeds from this weekly Lenten event.
- **Garage Sale:** In Shannon, IL, area organizers held a successful community sale at Dollinger Tree Farm on May 24 and 25, 2024.
- **Car Show:** The annual Hib Reber Car Show on July 13, 2024, in Byron, IL, not only donated their proceeds to Serenity but made the decision to dedicate all future car show proceeds to our organization!
