Remembering A Loved One

Memorialize a loved one through Serenity and honor someone special. Additionally, all proceeds from memorials go toward our mission of helping us care for our patients and their families with the utmost dignity and love.

Serenity's Memorial Pavers and Bench Plaques

Step outside the Serenity Home, and you'll find yourself on 11 acres of serene land, with our peaceful gazebo as the centerpiece. It's surrounded by lush gardens, a winding walking trail, and various wildlife.

Eight memorial benches, each named to correspond with our patient rooms, are along the paved trail. An additional bench remembers those who have passed at their place of residence.

Purchasing a plaque with your loved one's name on it is more than just a memorial, it's a personal connection to a beautiful soul and a well-lived life. The attractive pavers that make up the foundation of the gazebo are engraved with the names of loved ones who have passed. Add the name of someone dear to your heart as a special tribute, creating a lasting connection.
